

HITACHI

2 Door Refrigerators Grand Carbon Line 300-450L

The Art of Ease

A Superior Experience For Modern Households

Crafted to seamlessly blend functionality, efficiency,
durability, and thoughtful design elements
into one harmonious appliance

Dual Sense Surround Cooling

By minimizing direct airflow onto your food, the ingredients benefit from extended freshness.

Equipped with two independent sensors, custom cooling in each compartment ensures enhanced energy efficiency and food preservation through precise, overall temperature control.

Dual Sense Surround Cooling maintains food under a gentle airflow by efficient air distribution for even cooling throughout.

Selectable Zone^{*3}

Select 3°C mode of the Selectable Zone. You can now have extra storage space for drinks and food.

Preserve the freshness of your dairy, meat, and dry goods by storing them at an optimal temperature within the Selectable Zone compartment.

Choose the Soft Freeze setting to keep meat and fish fresh at -3°C; you can easily prepare portions and cook them instantly without the need to defrost.

Auto Ice Maker

Ensure your ice is always within reach by the automatic ice maker. The 4L water tank offers easy filling and cleaning, providing you with a constant source of ice whenever you need it.

Triple Power Filters

Removes odour-causing components^{*1} and bacteria by **99%**^{*2} throughout the entire refrigerator.

Ensures that the refrigerator including freezer compartment is filled with clean air, preventing the transfer of unpleasant odours.

Onion & Garlic

Raw Fish

Vinegar

Adjustable Door Racks

Easily adjust the height of the half racks to match the items being stored, the practical and secure door rack is designed for convenience.

Efficient Inverter Compressor

10 years warranty

Hitachi refrigerators use an energy-efficient, electronically controlled inverter compressor.

The compressor provides powerful cooling and lower noise.

^{*1} Triple Power Filter that catches and removes 7 odour components (Tested by Hitachi. The type of odours : Methyl Mercaptan, Ammonia, Acetaldehyde, Trimethylamine, Propanal, Hexanal and Acetic Acid).

^{*2} Thus also provides a sterilising effect. Combining the properties of Activated Carbon, Zeolite and Manganese Oxide (catalyst), the filter greatly reduces the percentage of odours present over time. Testing organisation : Boken Quality Evaluation Institute. Testing method : Film adhesion method (JISZ2801). Name of processing component : Filter. Sterilisation method : Application of oxidation catalyst to filter. Subject : Bacteria trapped in filter. Test results : 99% sterilised after 24 hours, achieved using the filter alone. No effect on the environment and food inside the refrigerator.

^{*3} Tested by Arcelik Hitachi Home Appliances, the temperatures are approximate and may vary by $\pm 2^{\circ}\text{C}$.

Digital Temperature Adjustment

Designed for easy temperature adjustment, the temperature controller is conveniently located near the door in an easy-to-reach position, allowing you to access your desired settings effortlessly. It offers fridge and freezer control in one place, including quick freeze, quick cool, and eco mode to suit your lifestyle needs.

Wellness Case

An added convenient storage solution for your personal care and wellness items. Easily movable and removable storage for added flexibility.

Triple Ease Zone

A dedicated space designed to maximize freezer storage and organisation.

Removes odours and bacteria by **99%^{*1}**

Hygienic storage against meat leaks

Easy organising drawer

Vegetable Compartment

Preserves freshness and maximize storage space for your fruit and vegetables, maintains the optimum moisture level.

Tempered Glass Shelves

Highly durable, scratch-proof, and heat-resistant shelves hold up to 100 kg^{*2} each for all your storage needs. Available in both in refrigerator and freezer.

Door Rack

With a huge capacity, even 5 large water bottles^{*3} can fit in one door rack. This ensures you have ample space to organize and easily access all your essentials right on the door.

Door Alarm

Designed to alert you when the door is left open, ensures that your food stays fresh and your energy bills stay low.

LED Light

Hitachi's energy saving LED lights provide enhanced illumination and clear visibility in refrigerator and freezer^{*4} without disturbing the eyes.

Premium Design

Seamlessly blending style and functionality, a chrome handle elevates the aesthetic appeal of your kitchen while providing a sturdy grip for effortless door opening.

Additionally, soft-close functionality in the Selectable Zone, Triple Ease Zone and Vegetable Compartment ensures an effortless and quiet closing experience.
