## Compact User-Oriented Design

Up to **40 Minutes**\*<sup>1</sup> Runtime  
for Seamless Tasks

Uplift your cleaning routine with a sleek design that boasts an easy-grip handle for effortless usability.

## LED Headlights Reveal Hidden Dust

Everyday cleaning is made easier with LED headlights that illuminate your cleaning path as well as every dark space in your home. Together with the main head brush allows for faster and more efficient cleaning performance sucking up fine dust particles that often prove tricky to remove.

**Lightweight Design** Only **1.7 Kg**\*<sup>2</sup>  
with up to 50AW Suction Power

The highly effective cordless BLDC motor stick vacuum cleaner, all within a user-friendly, only 1.7 kg lightweight design. For a spotlessly clean home, dirt and fine dust particle are collected, even tackling those hard-to-reach areas.

## Soft Roller Brush

Ultra-fine bristles lift dust without damaging delicate floors like hardwood, laminate, and tile.

## Easy Dust Disposal & Filter Cleaning

0.4L dust bin capacity with easy dust ejection in one quick motion. Easy turning knob for H10 washable filters also help maintain effective dust collection performance and prevent the dust case from becoming blocked.

## Different Cleaning Needs, Different Accessories

A range of cleaning tools that bring extra versatility to home cleaning, including a 2-in-1 combination tool with a detachable dusting brush to tackle different surfaces, a crevice tool for those narrow spaces and difficult-to-reach spots.

\*<sup>1</sup> Based on internal experiments of suction power, using a unit of handheld with Turbo mode, in accordance with the IEC62885-2 Cl. 5.8 standard.  
\*<sup>2</sup> The weight of handheld unit only.
