Cordless Stick

# HITACHI

# 210W High Suction Power

Introducing Hitachi's most powerful cordless stick vacuum cleaner ever\*. Featuring cyclone technology and a digital brushless motor (BLDC), this powerful stick vacuum generates 210W of suction power to lift even the small dust particles from your floors.

# LCD Screen

It shows the real-time updates of the speed, remaining time, suction mode and battery level on the handheld LCD screen. It even notifies you with an animation on the screen in case of the filter needs changing or there is an error occurred.

# Auto Floor Detection Automatic Power Adjustment

Its new generation brush automatically adjusts the suction power of the vacuum depending on the surface, giving you the right amount of power when you need it. In this way, it also optimises the usage time. The suction power increases automatically to provide effective cleaning when you are vacuuming the carpets.

# Large Dust Bin Capacity

With its 900 mL dust capacity, it meets the vacuuming needs of the whole house. Its dust container is easy-to-clean and provides practical cleaning experiences.

# Foldable Tube

Allowing you to get to those hard to reach spots, the foldable tube lets the nozzle glide under furniture, giving you a complete clean with minimal effort.

# Up to 60 Minutes Run Time

It provides non-stop vacuuming a usage time of up to 60 minutes\*. The cordless stick vacuum cleaner has 3 selectable power modes. It has a run time of 60 minutes\* in basis mode, 30 minutes\* in high mode, and 7 minutes\* in turbo mode.

\*Running times are based on a fully charged product with a new battery in normal usage, according to internal tests.

# Range of Accessories

With an accessory for any situation, the Elbow, Soft Brush and Crevice tools allow you to get to those hard-to-reach areas, while the Mini Turbo brush is great for lifting pet hair from the sofa. When you're finished, all attachments can be stored on the magnetic dock station while the product is charging.
