## Hitachi Wet & Dry Stick Vacuum Cleaners

The Art of Ease

Product Code PV-XHW4P

**Extreme Power, Effortless Cleaning**

---

## Deep cleans all floor types

All-in-one cleaning solution. Deep cleans and washes hard floors anywhere you need.

- Hardwood
- Tile
- Laminate
- Vinyl
- Stone
- floors

## Self-Cleaning Platform

Keep your mop in top condition with the Mop Self-Cleaning Platform. Automatically cleans and refreshes your mop after use, ensuring it's ready for the next task. Enjoy hassle-free maintenance and optimal performance every time you clean.

## Cyclone Storm Up to **225AW**\*1 Ultimate suction power

Effortlessly tackle dirt, dust, and debris from every corner of your home. With technology deep vacuums all floor types, hard-to-reach places, mattresses, sofas and stairs. Cyclone Storm ensures a deep and thorough clean every time.

## Lightweight **1.95**\*2 kg.

**Move effortlessly,  
clean powerfully.**

Sweep effortlessly through every room, reach high spaces with ease, and tackle stairs without the strain. Cleaning has never been this light, yet so powerful.

## Auto Drive Head Powerful smart head

The Auto Drive Head takes the effort out of vacuuming. It glides effortlessly across your floors, making cleaning easier and less tiring.

## Dust Press Structure & One Touch Disposal

Compresses debris for maximum capacity, and the one-touch disposal system minimizes contact and mess, providing easy and hygienic disposal.

\*1 Tested by SLG Laboratories using the handheld unit on high mode, on the basis of the EN IEC 62885-4:2020+A1:2023 standard.

\*2 The weight of the body, extension pipe and power head.

\*3 Tested by Arçelik Hitachi Home Appliances. Up to 45 minutes of running time applies to stick use.

## Up to **45 Minutes**<sup>\*3</sup> of Continuous Running Time

Enjoy uninterrupted cleaning with up to 45 minutes of powerful performance of continuous vacuuming on a single charge. Tackle your entire home, from floors to ceilings, without the need to recharge.

## Easy Grip Handle

Designed for ergonomic comfort, it ensures a secure and comfortable hold, reducing hand fatigue during extended use. Ideal for long or intensive cleaning tasks, it makes vacuuming easier and more enjoyable.

## Digital Display

Stay informed with Digital Display. Easily monitor settings, battery life, and performance metrics at a glance, ensuring you're always in control of your cleaning.

### Low Mode

Ideal for quick touch-ups and everyday cleaning, perfect for dust and pet hair on hard floors, upholstery, and delicate surfaces.

### Medium Mode

A balanced choice for low-pile carpets, rugs, and more stubborn dirt on hard floors.

### High Mode

Tackle the toughest messes with maximum power. Perfect for deep-cleaning thick carpets, easily lifting embedded dirt and debris.

## Green LED Light

The advanced seven white and green LED lights provide superior illumination, enhance visibility, making it easier to spot fine dust and dirt in both dark and bright environments.

# Versatile Vacuum Accessories

## Comprehensive Accessories for Every Cleaning Task

### Mini Power Brush

Tackles dust and allergens with precision. Ideal for upholstery, mattresses, and tight spaces

### Multi Angle Nozzle (with Brush)

Allows you to reach tight spaces and clean at various angles, including under furniture and behind appliances, making it perfect for thorough cleaning in hard-to-reach areas.

### Handy Brush

Its ergonomic design and effective bristles make it ideal for quick touch-ups, cleaning small surfaces and delicate surfaces like lampshades, keyboards, and upholstery

### 2 way Crevice Nozzle

Designed to tackle narrow gaps and hard-to-reach areas, features dual functions: one end for precise, narrow crevices and the other for wider gaps. Ideal for cleaning between sofa cushions, along baseboards, and in tight corners.

### Rotating Head

Designed for seamless navigation around furniture and into tight spaces, making your cleaning routine more efficient and effective.

### Easy Battery Replacement

Easily swap out batteries without the need for tools, ensuring minimal downtime and uninterrupted cleaning power.

### User-friendly Design for Hard-to-Reach-Area

Flexible movement for a complete clean in every corner.
