## Hitachi DC Stand Fan

7 Fan  
Blades

DC Motor

AI Smart  
Mode

Adjustable  
Height

## The Art of Ease

### AI Smart Mode with Temperature Sensor

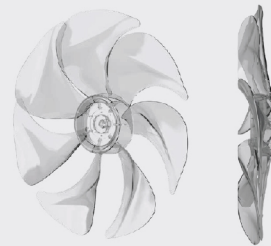

(Power-Saving Mode)

The AI Smart mode adjusts the air volume automatically based on the ambient temperature.

### Efficient & Quiet DC Motor Technology

The motor structure is designed to be compact, ensuring high energy efficiency and quiet operation.

### Anti-Vibration Design with 7 Fan Blades

Experience powerful and vibration-free cooling with our 400 mm fan featuring an innovative anti-vibration design and 7 high-performance blades.

## 70° Head Swing

Refreshing breeze in every corner, ensuring a refreshing and comfortable atmosphere throughout your space.

## Sleep Mode

Enjoy a calm and cool atmosphere with our fan's silent mode, offering 5 speed levels of efficient airflow with minimal noise disruption and a convenient timer.

## Adjustable Height

Optimal comfort for individuals of varying heights or in spaces with specific needs, providing a flexible and adaptable cooling solution.

## Specifications

|                               |              |                  |
|-------------------------------|--------------|------------------|
| Model                         |              | LF-D6RGWP        |
| Rated Power                   |              | 24W              |
| Voltage                       |              | 220-240V         |
| Frequency                     |              | 50/60Hz          |
